# Spain Study Abroad

## “Broadening Perspectives through Language & Culture”

### Program Description

This Spanish language program is designed to provide an immersion experience for students learning Spanish at the 102 levels (formally 105) or above. This program is also designed for students to understand and experience the widespread nature of the use of Spanish in different international settings. The main focus includes experiencing the juxtaposition of the internationalism of the Spanish language embedded in the deep cultural history of Salamanca, Spain. Salamanca is considered one of the best possible locations for learning the Spanish language and culture. Salamanca has a firm identity as an intellectual center in Spain and Europe. Salamanca, the quintessential Spanish medieval university city, is one of the safest cities in Europe, and home to great cultural sites and Spanish language instruction. Salamanca will act as our base with three weekend excursions: Segovia, Toledo, and Madrid.

Students on this abroad will be guided, with the aid of a structured framework and targeted conversations on engaging the locals on several relevant topics in order to reflect and record their cultural experiences. The range of these topics will be wide and include the quality of their interactions with the local people, reactions to the food, music, dancing, sports, history, and the demands for adaptations that are necessary when interacting with a culture different than their own. The homestays are the core of the cultural program.

This program is open to all students and all majors.

## Cost

The cost of this abroad program will be the same as tuition for 3 semester hours, \$300 a week for room and board (\$1,200 for this break program), airfare up to \$1,500, and a \$150 study abroad fee.

The following expenses will be **INCLUDED** in the program: all accommodations and meals (room and board) and transportation; academic instruction and lectures; admission to scheduled sites, museums, and cultural activities planned as part of the program; student travel insurance; and administrative fees.

## Study Abroad Grant\*

Students who receive Principia need-based aid are eligible for an additional Study Abroad Grant to help with expenses not covered by financial aid and scholarships. These costs may include flights, room and board, administrative fee, and opportunity costs. Preference is given to students who demonstrate financial need, are first-time study abroad participants, and have a minimum 3.0 GPA.

## Vaccination Information

The COVID-19 pandemic continues to present challenges that require an informed approach to ensure ongoing safety for Principia College study abroad programming. Recent positive progress is encouraging and, to the extent risks can be mitigated, the Principia Study Abroad Office is committed to offering opportunities to study abroad through our approved upcoming programs should travel conditions improve as anticipated.

Uncertainties with international travel include the possibility of airlines, the U.S. government, foreign governments, and/or in-country partner program providers requiring COVID-19 (or other) vaccinations. Information or evidence about participants' status with regard to Covid-19 vaccination may be required by these entities. Program participants may be subject to these requirements, and need to be aware of them. Failure to comply with these requirements may mean inability to travel or participate in the study abroad program.

In order to manage the uncertainties of international travel safely and effectively, the Study Abroad Office will collect COVID-19 vaccination information, from all participating program faculty, staff, and students.

## Eligibility and Prerequisites

This study abroad is open to all students in good academic and social standing, regardless of major. There are no prerequisites for the Spain Study Abroad. If accepted, all students are required to participate in the spring semester, 2023, orientation seminar.

We expect students to show a commitment to solving problems metaphysically and to developing strength of character. Other fundamental criteria for selection include the student's responses to the essay questions on the application and responses in the interview with the program faculty and RC.

Students must meet the [Study Abroad Student Selection Criteria](#) to apply for and remain on this program.

## Financial Aid & Responsibility

Students who will be eligible to receive financial aid for the 2022-2023 academic year will have their loans, scholarships, and grants automatically applied toward **tuition only**. Your PrinBill will also include room and board (\$1,200) and the Study Abroad fee (\$150), but **no financial aid will be applied toward these costs**.  
*\*See Study Abroad Grant for additional funding opportunity.*

Payments for past and current tuition, room, and board must be up-to-date, or a satisfactory payment schedule must be arranged with the Student Billing Representative, in order for a student to be allowed to participate in this program.

If accepted, students will be required to sign a financial commitment agreement stating that if they withdraw from this program, either voluntarily or involuntarily, after **Wednesday, November 23, 2022**, they agree to pay to Principia a penalty fee of the amount equal to the non-recoverable expenses incurred by their withdrawal plus Principia Abroad administrative fees. Even if all prepaid expenses are recovered, a minimum \$500 fee may be levied.

The program cost, less any applicable financial aid, will be billed to each participant's Principia account, and payment will be due by **April 26, 2023**.
