

## Parent Permission

To: The Principia  
St. Louis, Missouri

At various times, as an extension of its policy to encourage development of "the whole man," Principia permits students and other authorized individuals to participate in various extracurricular activities not normally included in its regular program. These may occur in the local area or at any location where a Principia sanctioned field trip or program may be operating.

Specifically, on the Teton trip to Jackson, Wyoming your son/daughter will be entering into activities that will include:

- Traveling
- Skiing
- Hiking
- Snow Shoeing
- Extended time in cold weather conditions

The undersigned grants permission for the student indicated below to participate in the activity.
